Dear Korczakians

With great sorrow I pass you the news I never would pass.

On the morning of 22 June 2014 after a serious illness died our dear friend

Jerzy Zgodziński

Friend, Scoutmaster, Educator, Humanitarian, Creator and Chief of Korczakowo.

The memories of his good work, the people who he have touched over the past years through his work, the goodness of his heart, his stand for the child to have a bright future - will always be a part of us and will forever be remembered.

"The spirit feels a longing inside the narrow cage of the body. Man feels and ponders death as though it were the end, when in fact death is merely the continuation of life, it is another life. You may not believe in the existence of the soul, yet you must acknowledge that your body will live on as grass, as a cloud. For you are, after all, water and dust."
(Janusz Korczak, 1942, Getto Years, p. 121-122)
