Janusz Korczak Week

November 18 – 22, 2015

The International Korczak Association conference on November 21, 2015, falls right within the annual Janusz Korczak Week, established by the European Janusz Korczak Academy in 2010. This year's Janusz Korczak Week starts on Wednesday, November 18, and ends on Sunday, November 22, 2015. As a special welcome gift to our guests from the IKA, we would like to offer you the possibility to take part in selected events of the Korczak Week on Wednesday, Thursday, Friday and Sunday. Please find attached a more detailed program.

To help us make this possible in light of limited number of places as well as the need for interpreters and translation, we would like to ask our guests to please fill in the below registration form to let us know which events they would to participate in. After a successful registration (subject to availability), you will receive a confirmation.

Please make sure to send the form back to us no later than **Thursday, October 8, 2015**.
